PRINTED MICA SPARKLES LOFT

Printed Mica Sparkles is a 91cm wide decorative wallcovering with a monochrome print that evokes the flatness of a seascape. Available in 4 colourways

Description	Printed Mica Sparkles is a monochrome print on a semi precious material with a sandy feel evoking the flatness of a seascape and allowing thoughts to wander. Loft is a timeless collection of patterns blending several materials: a perfect harmony drawing inspiration from nature and modernity. Inspired by wall patinas weathered by the depths of history this new collection blends non-woven prints and resplendent minerals: glass beads and mica sparkles. A subtle interplay between shadow and light, matt and shine, on unique designs inspired by nature or geometry. Like a handprint, the print techniques are selected to convey the beauty of the material's imperfections.
Composition	Printed mica on a non-woven backing 412 g/m²
Pattern Repeat Size	N/A
Roll Size	68.6cm wide x 8.2m - Available by the full roll only
Fire Rating	Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings. The result achieved was: Classification - Group 2 Specific Extinction - Less than 250m²/kg
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
Suggested Installation	Non-reverse hang / butt join. If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number,and then continue to install the other rolls in sequence,in descending order. Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip. For printed patterns, plan your match from the roll before cutting Mark each strip coming from the roll on the back and hang in the same sequence Reverse alternate lengths when instructed to do so by label on the roll

PRINTED MICA SPARKLES LOFT

Care Instructions	Mica wallcoverings should be handled with care, as they are not stain repellent treated. Remove liquid stains immediately using a clean, white, soft, damp cloth tapping on the wallcovering lightly. Use of a vacuum cleaner is not recommended. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
