| Description            | <p>Simply Geo introduces structured serenity through a refined diamond motif traced with fine vertical linework. The pattern builds on the lightness of soft geometry, creating rhythm and visual interest while maintaining a calm, composed presence.</p> <p>Presented in harmonious colourways including few with subtle metallic detailing. Simply Geo balances texture with form, offering grounded elegance across a wide range of interior styles. The design delivers definition without visual heaviness, making it well suited to spaces that require softness with structure.</p> <p>Finished with a durable vinyl surface on a non-woven backing, Simply Geo is designed for commercial environments where performance and longevity are essential. Ideal for healthcare, hospitality, and workplace interiors, it offers enduring style with architectural clarity.</p> |
| Composition            | Vinyl on Non-Woven Backing (451 g/m²)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Pattern Repeat Size    | 45.7 cm V x 132.1 cm H                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

# SIMPLY GEO

Wallcoverings » Commercial Wallcoverings

---

## Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of us:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

4: Do not use solvent based cleaning agents, lacquer thinners, nail polish remover, pine oil or cleaning agents containing bleach, which may cause discoloration over a period of time.

5: It is recommended that cleaning be done with a natural sponge. A cloth or towel should only be used to tamp dry (not rub). Do not use manmade (i.e. polyester) sponges.

---

## Warranty

5-year warranty. Visit [baresque.com.au/warranty](https://baresque.com.au/warranty) for complete details.
