PLASTER PIECE

Brand: **Symphony**

Applications: **Walls**

PLASTER PIECE

A refined wallcovering inspired by hand-trowelled plaster, featuring soft texture, tonal depth, and a matte finish for architectural interiors.

- ✓ **Bleach Cleanable**
- ✓ **Low VOC**
- ✓ **EPD Certified**
- ✓ **HPD Certified**

Description

Plaster Piece reinterprets the raw beauty of hand-trowelled plaster through layered texture and subtle tonal variation. The design delivers depth without pattern, creating a calm and composed backdrop that feels both natural and refined.

Presented in earthy neutral colourways, Plaster Piece brings warmth and materiality to interior spaces while maintaining a restrained, contemporary aesthetic. Its matte finish enhances the organic character of the design, allowing it to sit comfortably within both minimalist and richly layered interiors.

Finished with a durable vinyl surface on an Osnaburg backing, Plaster Piece is designed for commercial environments where performance and longevity are essential. Ideal for hospitality, workplace, and public interiors, it offers enduring style with an architectural sensibility.

Composition

Vinyl on Osnaburg Backing (451 g/m²)

Environmental Info

Formaldehyde free

Heavy metals free

Perfluorooctanoic acid free

No solvent inks

Low VOC emissions. Any VOCs dissipate quickly (faster than paint) through normal ventilation and have no recognised adverse impact on indoor air quality.

Durability means products do not need to be replaced regularly due to wear and tear and being cleanable, vinyl products are ideal for helping keep commercial environments clean of bacteria.

Baresque will only deal with vinyl manufacturers that comply with applicable state and federal regulations, provide a factory that is safe and clean for its employees to work in, recycle scrap and inks during the manufacturing process to minimize waste related to production.

Pattern Repeat Size

N/A

Roll Size

132cm wide X 27.4m - Available by the lineal metre.

Weight

451 g/m²

PLASTER PIECE

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation

Non reverse hang/overlap double cut.

Baresque recommends and supplies Roman brand adhesives and primers.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of us:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

4: Do not use solvent based cleaning agents, lacquer thinners, nail polish remover, pine oil or cleaning agents containing bleach, which may cause discoloration over a period of time.

5: It is recommended that cleaning be done with a natural sponge. A cloth or towel should only be used to tamp dry (not rub). Do not use manmade (i.e. polyester) sponges.

Warranty

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
