Connect Baffles Hive Detail

CONNECT HIVE

Acoustics » Acoustic Baffles

Add sculptural on-trend geo-accent to your ceiling space with Connect Hive Baffles. Designed for full ceiling coverage.

- ✓ Acoustic
- ✓ Bleach Cleanable
- ✓ Easy Clean
- ✓ Easy Install

Description	<p>Add sculptural on-trend geo-accent to your ceiling space with Connect Baffles. An innovative solution to large areas requiring improved acoustics, Connect Baffle options are designed with full ceiling coverage in mind and will create a ceiling space with architectural shape, form and definitive character. Connect Hive showcases a network of interconnected hexagons, offering a visually striking and cohesive design. This pattern introduces a sense of symmetry and harmony to interior spaces.</p> <p>Connect Baffles are also available in 4 other great designs:</p> <p>Cirrus is characterized by a linear, interconnected design, arranged in a flowing, cohesive formation. This pattern adds a sense of movement and unity to interior spaces.</p> <p>Cubix features a grid of interconnected squares, creating a visually dynamic and orderly design. This pattern brings a sense of structure and balance to interior spaces.</p> <p>Prismatic features a collection of interconnected triangles, presenting a visually captivating and harmonious design. This pattern introduces a sense of structure and balance to interior spaces.</p> <p>Rise showcases a combination of interconnected geometric shapes, including small rectangles and larger, randomized forms. This captivating design adds visual interest and complexity to interior spaces.</p>
