SWELL BAFFLE

Acoustics » Acoustic Baffles

Zintra Baffles are prefabricated, mounted baffles that come ready for easy installation. Swell is available in 28 colourways.

- ✓ Absorbs Noise
- ✓ Bleach Cleanable
- ✓ Environmentally Friendly
- ✓ Extended Warranty
- ✓ Solution Dyed Yarns

Description	These mounted systems showcase Zintra™'s flexible characteristics. Combining a dynamic aesthetic appeal and acoustic performance, providing an easy-to-install solution. The increased surface area of the vertical blades results in greater absorption of sound compared to flat panels. Find out more about the Benefits of Zintra and its NRC rating on the DOWNLOAD tab. Download the complete Timber + Sticks brochure

Suggested Installation

Be sure to support Blades during installation to avoid bowing or creasing.

Slide Zintra Blades onto Square Tube.

Fix Square Tube to wall (no screws supplied).

Download the Handling and Installation guide for full instructions.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

5-year warranty. Visit baresque.com.au/warranty for complete details.

Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.

Additional Comments

NRC - 0.95 Indoor only. Only available from Zintra Acoustic Panel 12mm. Blades includes Square Tube. See images on website for hardware detail. Multi-colour and Digital Print available for an additional fee.
