SPOTTED CAPIZ CAPIZ

Spotted Capiz is a 110cm wide decorative wallcovering that combines craftsmanship and design using shells in a woven textile. Availabe in 3 colours.

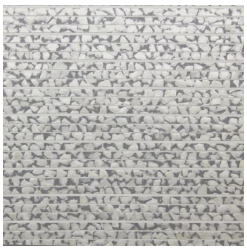

Description	Capiz shell wallcoverings are the eyecatchers in this new collection from Omexco. After a careful cleaning and drying process, the shells are softened, coloured with water-based dyes and then polished. The shells are then laminated one by one on a non-woven backing, which is cut into strips. These strips are patiently woven by skilled craftsmen on handlooms to create sophisticated works of art. The combination of exquisite craftsmanship and design makes the Capiz collection truly precious.
Composition	Capiz on paper backing
Environmental Info	The materials contained in these wallcoverings are naturally occurring and renewable resources harvested from farms and coloured with water-based inks.
Pattern Repeat Size	N/A
Roll Size	110cm wide - Available by the lineal metre
Fire Rating	Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings. The result achieved was: Classification - Group 2 Specific Extinction - Less than 250m²/kg
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

SPOTTED CAPIZ CAPIZ

Suggested Installation	Non-reverse hang / butt join. If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number,and then continue to install the other rolls in sequence,in descending order. Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip. For printed patterns, plan your match from the roll before cutting Mark each strip coming from the roll on the back and hang in the same sequence Reverse alternate lengths when instructed to do so by label on the roll
Care Instructions	Mica wallcoverings should be handled with care, as they are not stain repellent treated. Remove liquid stains immediately using a clean, white, soft, damp cloth tapping on the wallcovering lightly. Use of a vacuum cleaner is not recommended. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
Additional Comments	Search Capiz to find other designs in this collection.
