ZEBRANO TEXTURE CAPIZ

Zebrano Texture is a 100cm wide decorative wallcovering with vertical grooves that's available in 6 colourways.

Description	Capiz shell wallcoverings are the eyecatchers in this new collection from Omexco. After a careful cleaning and drying process, the shells are softened, coloured with water-based dyes and then polished. The shells are then laminated one by one on a non-woven backing, which is cut into strips. These strips are patiently woven by skilled craftsmen on handlooms to create sophisticated works of art. The combination of exquisite craftsmanship and design makes the Capiz collection truly precious.
Composition	Foil emboss on paper backing
Environmental Info	The materials contained in these wallcoverings are naturally occurring and renewable resources harvested from farms and coloured with water-based inks.
