Care Instructions	Most stains and ballpoint pen marks can be removed with a clean dry towel. Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then dry with a lint free cloth. Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (5:1). Rub gently. Rinse with a water dampened cloth to remove bleach concentration. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Additional Comments	Kaleido should only be stapled. Do not use adhesives on this product as adhesives seeping into the padding will deform the natural shape.
