Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

KERPLUNK

Care Instructions

Always use a clean, white, soft cloth.

Prepare a mixture of 1/3 Napisan and 2/3 Fab. Combine the mixture with water to make a paste about the consistency of soft margarine i.e. not too runny. Apply using a soft bristle brush. Leave for 10 minutes.

Use a brush and clean, warm water to remove the paste being sure to renew the water so that it remains clean.

Never use stiff bristles or wire brushes, as they may damage the fabric. To prevent soil build-up, frequent vacuuming is recommended.

Using a cloth to pat dry will help eliminate watermarks.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

2-year warranty. Visit **baresque.com.au/warranty** for complete details.
