A Type II vinyl wallcovering with a soft stippled texture and subtle tonal appearance. Designed for commercial interiors, Aries offers a versatile aesthetic with the durability and easy maintenance required for high-traffic environments.

✓ Bleach Cleanable

✓ Recyclable

✓ Phthalate Free

Description	Bring subtle texture and visual depth to interior spaces with Aries. Featuring a soft stippled surface and tonal finish, this wallcovering creates a clean, contemporary backdrop that works across a wide range of commercial settings. Its understated appearance makes it suitable for hospitality, workplace, healthcare, education, and public spaces where a durable yet refined finish is required. Constructed as a Type II vinyl wallcovering with an Osnaburg backing, Aries is engineered for long-lasting commercial performance. Its low VOC formulation and phthalate-free construction support healthier indoor environments, while the durable vinyl surface provides easy maintenance and reliable performance in high-traffic spaces.
Composition	Type II vinyl wallcovering with osnaburg backing (452 g/m ²)
Environmental Info	Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments. It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.
Pattern Repeat Size	N/A
Roll Size	132/137cm x 27.4m - Available by the lineal metre.
Weight	452 g/m ²
Fire Rating	Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings. The result achieved was: Classification - Group 2 Specific Extinction - Less than 250m²/kg

Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
-----------	---

Suggested Installation	Reverse hang, random match.
------------------------	-----------------------------

Care Instructions	Always use a clean, white, soft cloth. Use cloth with any of the following in preferred order of use: 1: Clear warm water 2: Mild solution of liquid detergent and warm water 3: Isopropyl Alcohol (a.k.a. rubbing alcohol) Remove any detergent with a clean, damp cloth. Gently pat dry. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration. DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
