SHIBORI

Shibori is a 137cm wide commercial multi-coloured wallcovering with soft blurred edges forming a three-dimensional moire look displayed in 6 colours.

✓ **Bleach Cleanable**

Description

Shibori, Bolta's striking large-scale introduction, mimics its ancient Japanese namesake. The infinite ways of binding, stitching, dyeing and twisting the fabric create dramatic visual effects, inherent to the art form. Multiple colours with soft blurred edges form the illusion of a three-dimensional moire look...a modern movement within the pattern.
