CHEVRON SYCAMORE

Chevron is a decorative wallcovering made of natural materials from renewable resources that's available in 6 colourways.

Description	Timeless and elegant. The Sycamore collection is uniquely defined by a celebration of natural wood. Our elegant and refined wallcoverings bring this noble and authentic material to life. Rich tonal variations reveal the delicate wood grain of the Paulownia tree. Luxurious and sensual to the hand and to the eye.
Composition	Wood veneer on a non-woven backing
Environmental Info	The materials contained in these wallcoverings are naturally occurring and renewable resources harvested from farms and coloured with water-based inks.
Pattern Repeat Size	N/A
Roll Size	91cm wide - Available by the lineal metre
Fire Rating	Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings. The result achieved was: Classification - Group 2 Specific Extinction - Less than 250m²/kg
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

CHEVRON SYCAMORE

Suggested Installation

Non-reverse hang / butt join.

If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number,and then continue to install the other rolls in sequence,in descending order.

Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip.

For printed patterns, plan your match from the roll before cutting

Mark each strip coming from the roll on the back and hang in the same sequence

Reverse alternate lengths when instructed to do so by label on the roll

Care Instructions

Always use a clean, white, soft cloth.

Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing.

For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading.

Remove any detergent with a clean, damp cloth. Gently pat dry.

Always test in an inconspicuous area first.

Warranty

2-year warranty. Visit **baresque.com.au/warranty** for complete details.

Additional Comments

The marqueteries in this collection are made of genuine wood veneer.

The typical wood structure, with its grains, irregularities, and dots, is clearly visible, and is part of the charm and unique character of this wallcovering.

We advise to paint the wall underneath the seams in a colour matching to the reference of your choice in order to obtain perfect joints.
