Printed Mica Sparkles is a 91cm wide decorative wallcovering with a monochrome print that evokes the flatness of a seascape. Available in 4 colourways

Description	Printed Mica Sparkles is a monochrome print on a semi precious material with a sandy feel evoking the flatness of a seascape and allowing thoughts to wander. Loft is a timeless collection of patterns blending several materials: a perfect harmony drawing inspiration from nature and modernity. Inspired by wall patinas weathered by the depths of history this new collection blends non-woven prints and resplendent minerals: glass beads and mica sparkles. A subtle interplay between shadow and light, matt and shine, on unique designs inspired by nature or geometry. Like a handprint, the print techniques are selected to convey the beauty of the material's imperfections.
