MAGIC COLOUR CHARCOALS

Magic Colour decorative wallcoverings are an environmentally friendly way to add texture. Available in 14 brown hues.

Description	Natural wallpapers are an environmentally friendly way to add texture and beauty to a wide variety of design themes.
Composition	Various. See Magic Colour Product Specification Download for details
Environmental Info	The materials contained in these wallcoverings are naturally occurring and renewable resources harvested from farms and coloured with water-based inks.
Fire Rating	Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings. The result achieved was: Classification - Group 2 Specific Extinction - Less than 250m²/kg
Suggested Installation	Non-reverse hang / butt join. If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number,and then continue to install the other rolls in sequence,in descending order. Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip. For printed patterns, plan your match from the roll before cutting Mark each strip coming from the roll on the back and hang in the same sequence Reverse alternate lengths when instructed to do so by label on the roll
Care Instructions	Natural wallcoverings should be handled with care, as they are not stain repellent treated. Remove liquid stains immediately using a clean, white, soft, dry cloth tapping on the wallcovering lightly. Use a vacuum cleaner to lightly remove any dust that may have collected. Cleaning with water or detergent is not recommended. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
