Marvel is a 100cm wide decorative wallcovering inspired by natural and colourful landscapes. Available in 26 colourways.

Description	The collection Nomad of Omexco invites you to travel throughout the world from season to season, crossing natural and colourful landscapes. Waterlily leaves are woven in lively and generous colours. The matching non-woven wallcoverings sometimes evoke the arid textures of dry earth or smoother and enhanced with metallic effects, they reflect the light of new landscapes arising at the horizon.
