EFFECT

CLEAS Effect is designed to introduce dynamic visual effects and enhance the aesthetic appeal of glass surfaces. These films offer a diverse range of patterns and textures, allowing you to create unique and captivating environments in various settings.

Description

CLEAS Effect brings dynamic visual character to glass surfaces through a range of patterns and textures, enhancing the aesthetic impact of interior glazing. Designed to create engaging and distinctive environments, it offers a versatile decorative solution for a variety of settings.

Manufactured using high-transparency polyester film, it delivers excellent optical clarity while helping to block up to 97% of infrared heat for improved interior comfort. Suitable for residential, commercial and hospitality applications, it provides a durable way to enhance windows, doors and glazed partitions with contemporary style.

Composition

High-clarity polyester (PET) film with functional coating, and durable scratch-resistant finish

Pattern Repeat Size

Various. See Technical Documents for details.

Roll Size

Various. See Technical Documents for details.

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Care Instructions

Clean using a soft cloth or rubber squeegee with clean, warm water.

For more persistent soiling, use a mild neutral detergent diluted to 1–2% with water. Gently wipe the surface in a single direction, then rinse thoroughly with clean water to remove any residue.

Do not scrub back and forth, as this may damage the surface.

Do not dry-wipe, as this may cause fine scratches.

Avoid leaving dirt or debris on the surface, as this may accelerate wear. Regular cleaning is recommended to maintain appearance and performance.

Do not use ammonia-based cleaners, chlorine-based cleaners, organic solvents, or abrasive cleaning agents.

Do not apply stickers, tape, or labels to the surface, and avoid writing on the material. Prevent any actions that may scratch or damage the film.

Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
