CLEAS Materials Fabric films replicate the intricate textures and patterns of various fabrics, such as linen, silk, and cotton, providing a sophisticated and luxurious look to glass surfaces.

Description	CLEAS Materials Fabric captures the look and texture of woven textiles, bringing the refined appearance of materials such as linen, silk and cotton to glass surfaces. It adds warmth and sophistication to interior glazing while maintaining a light, open feel. Manufactured using high-transparency polyester film, it provides excellent optical clarity while helping to block up to 97% of infrared heat for improved interior comfort. Suitable for residential, commercial and hospitality applications, it offers a durable and stylish solution for windows, doors and glazed partitions.
Composition	High-clarity polyester (PET) film with functional coating, and durable scratch-resistant finish
Pattern Repeat Size	Various. See Glass Film Product Specification Download for details
Roll Size	Various. See Glass Film Product Specification Download for details.
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
Care Instructions	Clean using a soft cloth or rubber squeegee with clean, warm water. For more persistent soiling, use a mild neutral detergent diluted to 1–2% with water. Gently wipe the surface in a single direction, then rinse thoroughly with clean water to remove any residue. Do not scrub back and forth, as this may damage the surface. Do not dry-wipe, as this may cause fine scratches. Avoid leaving dirt or debris on the surface, as this may accelerate wear. Regular cleaning is recommended to maintain appearance and performance. Do not use ammonia-based cleaners, chlorine-based cleaners, organic solvents, or abrasive cleaning agents. Do not apply stickers, tape, or labels to the surface, and avoid writing on the material. Prevent any actions that may scratch or damage the film.
Warranty	2-year warranty. Visit baresque.com.au/warranty for complete details.
