MATTE FROST LUMIKKI

Wallcoverings » Architectural Film

CLEAS Matte Frost Lumikki features a frosted matte finish that diffuses light, creating a soft, elegant appearance while maintaining a sense of openness.

Description	CLEAS Matte Frost Lumikki creates a subtle translucent effect across glass surfaces, balancing visual privacy with the flow of natural daylight. Its smooth matte appearance adds a refined, contemporary finish to interiors while maintaining a bright and comfortable atmosphere. Manufactured using high-transparency polyester film, it provides excellent optical clarity for a clear external view, while also helping to block up to 97% of infrared heat for improved interior comfort. Suitable for residential, commercial and hospitality applications, it offers a durable and versatile solution for enhancing windows, doors and glazed partitions.
Composition	High-clarity polyester (PET) film with functional coating, and durable scratch-resistant finish
Pattern Repeat Size	Various. See Glass Film Product Specification Download for details
Roll Size	Various. See Glass Film Product Specification Download for details.
Dimensions	Available Widths: 97cm and 125cm
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Care Instructions

Clean using a soft cloth or rubber squeegee with clean, warm water.

For more persistent soiling, use a mild neutral detergent diluted to 1–2% with water. Gently wipe the surface in a single direction, then rinse thoroughly with clean water to remove any residue.

Do not scrub back and forth, as this may damage the surface.

Do not dry-wipe, as this may cause fine scratches.

Avoid leaving dirt or debris on the surface, as this may accelerate wear. Regular cleaning is recommended to maintain appearance and performance.

Do not use ammonia-based cleaners, chlorine-based cleaners, organic solvents, or abrasive cleaning agents.

Do not apply stickers, tape, or labels to the surface, and avoid writing on the material. Prevent any actions that may scratch or damage the film.

Warranty

2-year warranty. Visit baresque.com.au/warranty for complete details.
