CORE 70

Brand: **Sangetsu**

Collections: **Cleas**

Applications: **Glass**

CLEAS Core 70 improves interior comfort by reducing solar heat gain while maintaining natural brightness, transparency and clear visibility through glass.

Description	CLEAS Core 70 is designed to improve interior comfort by reducing the impact of solar radiation while maintaining natural brightness and clear visibility through glass. It helps create more balanced indoor environments by limiting heat buildup without compromising transparency or outward views. Manufactured using high-transparency polyester film, it delivers excellent optical clarity while helping to block up to 97% of infrared heat for improved thermal performance. Suitable for residential, commercial and hospitality applications, it provides a durable and effective solution for enhancing the comfort and efficiency of glazed spaces.
Composition	High-clarity polyester (PET) film with functional coating, and durable scratch-resistant finish
Pattern Repeat Size	N/A
Roll Size	Various. See Technical Documents for details.
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

CORE 70

Care Instructions

Clean using a soft cloth or rubber squeegee with clean, warm water.

For more persistent soiling, use a mild neutral detergent diluted to 1–2% with water. Gently wipe the surface in a single direction, then rinse thoroughly with clean water to remove any residue.

Do not scrub back and forth, as this may damage the surface.

Do not dry-wipe, as this may cause fine scratches.

Avoid leaving dirt or debris on the surface, as this may accelerate wear. Regular cleaning is recommended to maintain appearance and performance.

Do not use ammonia-based cleaners, chlorine-based cleaners, organic solvents, or abrasive cleaning agents.

Do not apply stickers, tape, or labels to the surface, and avoid writing on the material. Prevent any actions that may scratch or damage the film.

Warranty

2-year warranty. Visit **baresque.com.au/warranty** for complete details.
