HEAT SHIELDING PRIVACY

Brand: **Sangetsu**

Collections: **Cleas**

Applications: **Glass**

CLEAS Privacy films enhance visual privacy with an elegant opaque finish, reducing visibility through glass while adding a clean, contemporary look to interior spaces.

Description	CLEAS Privacy films provide a refined solution for creating private and comfortable interiors by reducing visibility through glass while maintaining a clean, contemporary appearance. Designed for applications where discretion is required, the opaque finish helps create defined spaces without the need for permanent glazing solutions. Manufactured using high-transparency polyester film, it delivers excellent optical clarity while helping to block up to 97% of infrared heat for improved interior comfort. Suitable for residential, commercial and hospitality applications, CLEAS Privacy films offer a durable and stylish solution for enhancing windows, doors and glazed partitions.
Composition	High-clarity polyester (PET) film with functional coating, and durable scratch-resistant finish
Pattern Repeat Size	N/A
Roll Size	Various. See Technical Documents for details.
Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

HEAT SHIELDING PRIVACY

Care Instructions

Clean using a soft cloth or rubber squeegee with clean, warm water.

For more persistent soiling, use a mild neutral detergent diluted to 1–2% with water. Gently wipe the surface in a single direction, then rinse thoroughly with clean water to remove any residue.

Do not scrub back and forth, as this may damage the surface.

Do not dry-wipe, as this may cause fine scratches.

Avoid leaving dirt or debris on the surface, as this may accelerate wear. Regular cleaning is recommended to maintain appearance and performance.

Do not use ammonia-based cleaners, chlorine-based cleaners, organic solvents, or abrasive cleaning agents.

Do not apply stickers, tape, or labels to the surface, and avoid writing on the material. Prevent any actions that may scratch or damage the film.

Warranty

2-year warranty. Visit **baresque.com.au/warranty** for complete details.
