| Description         | <p>Create inviting and well-balanced interiors with Keynote. Inspired by the familiar texture of woven canvas, this upholstery vinyl offers a refined, understated aesthetic that brings depth and character to a space. Its versatile design serves as an ideal backdrop for a wide range of applications, including hospitality, workplace, healthcare, education, and public environments.</p> <p>Constructed from 100% phthalate-free vinyl with a 100% polyester backing, Keynote is engineered for demanding commercial use. An advanced protective topcoat enhances durability and simplifies maintenance, while bleach-cleanable performance supports hygiene-focused environments. Tested to exceed 250,000 double rubs, Keynote delivers outstanding wear resistance without compromising on appearance. PFAS-free and free from phthalates and formaldehyde, it offers a responsible, low-maintenance upholstery solution for modern commercial spaces.</p> |
| Composition         | 100% phthalate free vinyl front on 100% polyester back with an advanced protective topcoat (702 g/m²)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

---

## Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
  - Additional 1-week for Western Australia.
  - Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
- 

## Care Instructions

Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then dry with a lint free cloth.

Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first.
