Description

Make a statement with Rigby, a distinctive upholstery fabric that reimagines the classic houndstooth motif with a modern, oversized scale and textured woven construction. Its striking geometric design adds depth, movement, and visual interest to seating and upholstered applications, making it an ideal choice for hospitality, workplace, senior living, and residential-inspired commercial interiors. The interplay of pattern and texture creates a sophisticated aesthetic that can serve as either a focal point or a complementary design element.

Constructed from 100% polyester with an acrylic backing, Rigby is enhanced with Crypton Home® soil and stain protection for lasting performance and easy maintenance. Engineered to withstand 84,000 double rubs, it delivers exceptional durability for demanding upholstery applications while maintaining its distinctive appearance. Antibacterial, PFAS-free, and GREENGUARD Gold Certified, Rigby combines eye-catching design with the durability, cleanability, and performance required for high-use commercial environments.
