PAISLEY PARK

A Type II vinyl wallcovering featuring an organic paisley-inspired design layered over a textured woven-look ground. Combining decorative pattern, subtle texture, and commercial durability, Paisley Park brings character and sophistication to interior spaces.

- ✓ **Anti-Microbial**
- ✓ **10% Recycled content**
- ✓ **Non-Phthalate**
- ✓ **Low VOC**

Description

Introduce artistic pattern and natural elegance to interior environments with Paisley Park. Featuring a contemporary interpretation of paisley-inspired forms, this Type II wallcovering showcases flowing botanical shapes layered over a textured woven-effect background, creating depth, movement, and visual interest. The combination of organic pattern and subtle textile-inspired texture adds warmth and sophistication to feature walls, corridors, guestrooms, healthcare spaces, and hospitality interiors, making it a versatile choice for both contemporary and traditional design schemes.

Engineered for demanding commercial environments, Paisley Park combines decorative appeal with long-lasting performance. Constructed as a Type II wallcovering with low VOC emissions, recycled content, and a non-phthalate formulation, it supports healthier interior spaces while delivering exceptional durability. Enhanced with inherent antimicrobial protection and designed to withstand hospital-grade cleaners and disinfectants, Paisley Park offers a practical, low-maintenance solution that balances expressive design with reliable commercial performance.

Composition

Type II vinyl wallcovering with non-woven backing (471 g/m²)

Environmental Info

Roll Size

132cm wide X 27.4m - Available by the lineal metre.

Weight

471 g/m²

PAISLEY PARK

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation

Straight match pattern. Align adjacent drops at the same point in the pattern repeat during installation.

Baresque recommends and supplies Roman brand adhesives and primers.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of us:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

4: Do not use solvent based cleaning agents, lacquer thinners, nail polish remover, pine oil or cleaning agents containing bleach, which may cause discoloration over a period of time.

5: It is recommended that cleaning be done with a natural sponge. A cloth or towel should only be used to tamp dry (not rub). Do not use manmade (i.e. polyester) sponges.

Warranty

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
