BELLISSIMO

Wallcoverings » Commercial Wallcoverings

A Type II vinyl wallcovering inspired by the look of Italian linen, featuring a refined woven appearance and subtle texture. Combining a soft textile aesthetic with durable commercial performance, Bellissimo is designed for high-traffic interior environments.

✓ **Recyclable**

✓ **Bleach Cleanable**

✓ **Phthalate Free**

Description

Bring the look of finely woven linen to interior spaces with Bellissimo. Featuring a refined textile-inspired surface and subtle texture, this wallcovering creates a soft, natural appearance that adds depth without overpowering a space. Its versatile design works across hospitality, workplace, healthcare, education, and public environments, providing a clean and sophisticated backdrop for a wide range of interior styles.

Constructed as a Type II vinyl wallcovering with an Osnaburg backing, Bellissimo is engineered for demanding commercial applications. The durable vinyl surface offers long-lasting performance and easy maintenance, making it suitable for high-traffic environments. Combining the appearance of natural linen with the practicality of commercial wallcovering, Bellissimo provides a durable, low-maintenance solution for modern interiors.

Composition

Type II vinyl wallcovering with osnaburg backing (452 g/m²)

Environmental Info

Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments.

It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Pattern Repeat Size

N/A

Roll Size

137cm x 27.4m - Available by the lineal metre

Weight

452 g/m²

Fire Rating Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation Reverse hang, random match.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of use:

- 1: Clear warm water
- 2: Mild solution of liquid detergent and warm water
- 3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently.

Rinse with a water dampened cloth to remove bleach concentration.

DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty 5-year warranty. Visit baresque.com.au/warranty for complete details.
