MYKONOS

A high-performance woven textile featuring a refined, rhythmic pattern that brings modernity and visual interest to interior spaces. Designed for indoor and outdoor upholstery, Mykonos combines contemporary style with exceptional durability and biobased sustainability.

- ✓ **Colourfast**
- ✓ **Outdoor Suitable**
- ✓ **Mildew Resistant**
- ✓ **Breathable**

Description

Introduce movement and contemporary sophistication to interior spaces with Mykonos. Defined by its refined, rhythmic design, this woven upholstery textile creates an artful sense of pattern and texture that adds visual interest without overwhelming a space. Suitable for seating, benches, headboards, and other upholstered applications, Mykonos is ideal for hospitality, workplace, healthcare, education, and outdoor environments where both aesthetics and performance are essential.

Woven from 51% biobased Xorel® polyethylene and 49% polypropylene, Mykonos is engineered to deliver exceptional commercial performance. Tested to withstand 160,000 double rubs, it is bleach cleanable, mould and mildew resistant, breathable, quick drying, and offers outstanding lightfastness of 2,000 hours. Free from PFAS, phthalates, PVC, BPA, formaldehyde, antimicrobials, and other chemicals of concern, Mykonos combines striking visual appeal with the durability, sustainability, and low-maintenance benefits required for demanding commercial environments.

Composition

51% biobased xorel PE, 49% polypropylene (366 g/m²)

Environmental Info

Cradle to Cradle Certified™ Gold with Material Health Platinum Certification. Contains 51% biobased content derived from rapidly renewable plant-based resources and is PVC-free, with extremely low VOC emissions. Free from chlorine, plasticisers, heavy metals and ozone-depleting chemicals. Compliant with LEED, RoHS and REACH requirements.

Pattern Repeat Size

60cm V x 67cm H

Roll Size

Unbacked - 142cm

X-Protect Wall - 132cm

X-Protect Sit - 137cm

Acrylic Backed - 137cm x Approx 60m - available by the lineal metre.

MINIMUM ORDER for X-Protect Sit - 5 lineal metres

MINIMUM ORDER for Acrylic Backed - 15 lineal metres

Weight

366 g/m²

Lead Time	• 5-weeks (approx) from Wednesday subject to stock availability. • Additional 1-week for Western Australia. • Unbacked 2-3 weeks. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing
Care Instructions	Xorel yarns are non-absorbent; dust and stains cannot penetrate them. Regular maintenance will keep the fabric looking new for many years. Periodic vacuuming will remove dust that may settle between the yarns. Most stains that dry between the yarns or on the surface can be eliminated by wiping the fabric with a cloth moistened with hot tap water. Some stains may require additional treatment. These stains can be cleaned with a variety of water or solvent based cleaners. When using solvent based cleaners on paperbacked Xorel fabric, test on a small area first. Residue from these cleaners must be removed with hot water and a clean sponge. After cleaning, towel dry. Hardened solids can be removed with stiff brush or a sharp-edged instrument without damaging the fabric. However, the brush or sharp instrument should not be used close to seams. Hospital grade disinfectant cleaners can be safely used on Xorel fabrics. Always follow the directions for the specific brand being used as contact times may vary depending on the product. Diluted bleach solution (up to 40%) can also be used on Xorel for disinfecting purposes. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
Warranty	7-year warranty. Visit **baresque.com.au/warranty** for complete details.
