MEDICEA GEO

A Type II vinyl wallcovering featuring a bold geometric pattern inspired by post-war Italian design. Combining graphic visual impact with durable commercial performance, Medicea Geo is designed for high-traffic interior environments.

✓ **Recyclable** ✓ **Bleach Cleanable** ✓ **Phthalate Free**

Description

Medicea Geo features a contemporary geometric design inspired by the bold graphic style of post-war Italian interiors. Its structured pattern adds movement, depth, and visual interest to wall surfaces, creating a distinctive backdrop for hospitality, workplace, healthcare, education, and public environments. The large-scale design brings a modern architectural feel while remaining versatile across a range of interior styles.

Constructed as a Type II vinyl wallcovering with an Osnaburg backing, Medicea Geo is designed for demanding commercial applications. The durable vinyl surface provides long-lasting performance and easy maintenance, while the large-scale pattern repeat creates consistency across expansive wall areas. Combining striking geometric design with the practicality of commercial wallcovering, Medicea Geo offers a durable, low-maintenance solution for high-traffic interiors.

Composition

98% vinyl, 2% metallized polyester with non-woven backing (452 g/m²)

Environmental Info

Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments.

It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Pattern Repeat Size

44cm V x 132cm H

Roll Size

137cm x 27.4m - Available by the lineal metre

Weight

452 g/m²

MEDICEA GEO

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation

Non-reverse hang/half drop match.

Baresque recommends and supplies Roman brand adhesives and primers.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently.

Rinse with a water dampened cloth to remove bleach concentration.

DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

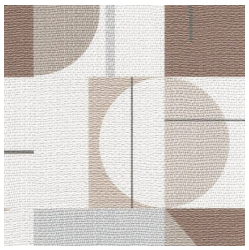

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
