PIAZZA DEI PRIORI

A Type II vinyl wallcovering featuring a geometric design inspired by Italian stonework. Combining light-catching detail with durable commercial performance, Piazza Dei Priori adds texture and visual impact to interior spaces.

✓ **Recyclable** ✓ **Bleach Cleanable** ✓ **Phthalate Free**

Description

Piazza Dei Priori draws inspiration from iconic Italian stonework, translating its structured geometry into a contemporary wallcovering design. The pattern creates a layered, light-catching effect that adds depth and movement across wall surfaces while maintaining a refined and versatile appearance. Suitable for hospitality, workplace, healthcare, education, and public environments, Piazza Dei Priori provides a distinctive backdrop for a wide range of interior settings.

Constructed as a Type II vinyl wallcovering with a non-woven backing, Piazza Dei Priori is designed for demanding commercial applications. The durable vinyl surface offers long-lasting performance and easy maintenance, while the large-scale pattern repeat helps create visual continuity across expansive wall areas. Free from phthalates and formaldehyde, Piazza Dei Priori combines the look of architectural stonework with the practicality and durability required for high-traffic interiors.

Composition

98% vinyl, 2% metallized polyester with non-woven backing (452 g/m²)

Environmental Info

Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments.

It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Pattern Repeat Size

61cm V x 132cm H

Roll Size

137cm x 27.4m - Available by the lineal metre

Weight

452 g/m²

PIAZZA DEI PRIORI

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation

Non-reverse hang. Straight across match at arrows.

Baresque recommends and supplies Roman brand adhesives and primers.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently.

Rinse with a water dampened cloth to remove bleach concentration.

DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
