STELLA NOVA

STELLA NOVA

A Type II vinyl wallcovering featuring a fresco-inspired design with a reflective metallic finish. Combining textured visual depth with durable commercial performance, Stella Nova adds dimension and movement to interior spaces.

✓ **Recyclable** ✓ **Bleach Cleanable** ✓ **Phthalate Free**

Description

Stella Nova features a layered surface inspired by the richness of fresco finishes, enhanced by light-reflective metallic detailing. The combination of texture, tonal variation, and subtle sheen creates depth and visual movement across wall surfaces, making it suitable for hospitality, workplace, healthcare, education, and public environments. Its distinctive appearance adds character while remaining versatile across a range of interior styles.

Constructed as a Type II vinyl wallcovering with a non-woven backing, Stella Nova is designed for demanding commercial applications. The durable vinyl surface provides long-lasting performance and easy maintenance, while the large-scale pattern repeat creates consistency across expansive wall areas. Combining decorative appeal with the practicality of commercial wallcovering, Stella Nova offers a durable, low-maintenance solution for high-traffic interiors.

Composition

98% vinyl, 2% metallized polyester with non-woven backing (452 g/m²)

Environmental Info

Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments.

It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Pattern Repeat Size

51cm V x 132cm H

Roll Size

137cm x 27.4m - Available by the lineal metre

Weight

452 g/m²

STELLA NOVA

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Suggested Installation

Non-reverse hang. Straight across match pattern.

Baresque recommends and supplies Roman brand adhesives and primers.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently.

Rinse with a water dampened cloth to remove bleach concentration.

DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
