MIRARI NAXI

A printed wallcovering featuring an intricate play of texture and light inspired by handcrafted paper. Combining a softly layered appearance with subtle visual depth, Mirari Naxi brings texture and character to contemporary interiors.

✓ **PVC-Free** ✓ **Eco-Friendly**

Description

Mirari Naxi features a delicate interplay of texture and light that evokes the traditional art of handcrafted paper. Its subtly layered surface creates depth and movement across the wall, adding visual interest while maintaining a soft and versatile appearance. Suitable for hospitality, workplace, healthcare, residential, and public environments, Mirari Naxi provides a textured backdrop that complements a wide range of interior styles.

Constructed as a printed wallcovering, Mirari Naxi is designed to combine visual appeal with practical performance. The surface is washable after installation, breathable, and light resistant, while water-soluble inks and a heavy metal-free printing process support healthier interior environments. Designed to install with minimal visible seams, Mirari Naxi delivers a durable, low-maintenance wallcovering solution for modern interiors.

Composition

46% recycled cellulose, 25% recycled PET, 23% binders, 5% pigments & 1% wet strength agents

Environmental Info

The Omexco brand has a sustainable policy that limits their impact on the environment on different levels.

Renewable energy is used for the production process and the company opts for non-harmful base, renewable materials such as cork or recycled sari silk and recycled fibres are used as much as possible.

Omexco has a long history of being eco-conscious trying to reduce waste by custom cutting every order and obtaining certificates for sustainable forestry.

Pattern Repeat Size

N/A

Roll Size

100cm wide - Available by the lineal metre

Weight

209 g/m²

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

MIRARI NAXI

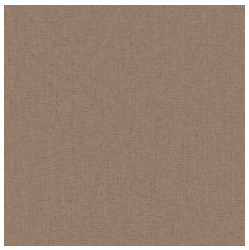

Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
Suggested Installation	Reverse hang, random match.
Care Instructions	Always use a clean, white, soft cloth. Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing. For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading. Remove any detergent with a clean, damp cloth. Gently pat dry. Always test in an inconspicuous area first.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
