MIRARI ELAYA

A printed wallcovering featuring the appearance of woven fabric with a subtle silky sheen. Combining soft texture with refined visual depth, Mirari Elaya creates a versatile backdrop for contemporary interiors.

✓ **PVC-Free** ✓ **Eco-Friendly**

Description

Mirari Elaya captures the look of finely woven fabric, enhanced by a subtle silky sheen that adds depth and dimension to wall surfaces. The understated texture creates visual interest while maintaining a clean and versatile appearance, making it suitable for hospitality, workplace, healthcare, residential, and public environments. Its fabric-inspired design brings a soft, sophisticated finish to a wide range of interior styles.

Constructed as a printed wallcovering, Mirari Elaya is designed to combine visual appeal with practical performance. The surface is washable after installation, breathable, and highly light resistant, helping maintain its appearance over time. Printed using water-soluble inks without heavy metals and designed to install with minimal visible seams, Mirari Elaya offers a durable, low-maintenance wallcovering solution for modern interiors.

Composition

46% recycled cellulose, 25% recycled PET, 23% binders, 5% pigments & 1% wet strength agents

Environmental Info

The Omexco brand has a sustainable policy that limits their impact on the environment on different levels.

Renewable energy is used for the production process and the company opts for non-harmful base, renewable materials such as cork or recycled sari silk and recycled fibres are used as much as possible.

Omexco has a long history of being eco-conscious trying to reduce waste by custom cutting every order and obtaining certificates for sustainable forestry.

Pattern Repeat Size

N/A

Roll Size

99cm wide - Available by the lineal metre

Weight

196 g/m²

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

MIRARI ELAYA

Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
Suggested Installation	Reverse hang, random match.
Care Instructions	Always use a clean, white, soft cloth. Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing. For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading. Remove any detergent with a clean, damp cloth. Gently pat dry. Always test in an inconspicuous area first.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
