MIRARI CAELIS

MIRARI CAELIS

A printed panoramic wallcovering inspired by shifting light and twilight skies. Combining soft tonal movement with a scenic, atmospheric design, Mirari Caelis creates a striking focal point for contemporary interiors.

✓ **PVC-Free** ✓ **Eco-Friendly**

Description

Mirari Caelis captures the changing colours and soft transitions of twilight skies in a panoramic wallcovering design. The flowing composition creates depth and movement across wall surfaces, delivering a calm, atmospheric effect that adds visual interest without overwhelming a space. Suitable for hospitality, workplace, healthcare, residential, and public environments, Mirari Caelis provides a distinctive backdrop for a wide range of interior styles.

Constructed as a printed wallcovering, Mirari Caelis is designed to combine visual impact with practical performance. The surface is washable after installation, breathable, and light resistant, helping maintain its appearance over time. Printed using water-soluble inks without heavy metals and designed with a virtually seamless panoramic format, Mirari Caelis offers a durable, low-maintenance wallcovering solution for modern interiors.

Composition

46% recycled cellulose, 25% recycled PET, 23% binders, 5% pigments & 1% wet strength agents

Environmental Info

The Omexco brand has a sustainable policy that limits their impact on the environment on different levels.

Renewable energy is used for the production process and the company opts for non-harmful base, renewable materials such as cork or recycled sari silk and recycled fibres are used as much as possible.

Omexco has a long history of being eco-conscious trying to reduce waste by custom cutting every order and obtaining certificates for sustainable forestry.

Pattern Repeat Size

300 cm V x 294 cm H (3 drops of 98 cm)

Roll Size

98cm wide x 3m - Sold by set of 3 drops

Weight

201 g/m²

Fire Rating

Tested in accordance with AS ISO 9705 2003 for the purpose of determining the Group Number classification as required by the Building Code of Australia for the control of fire spread on interior wall and ceiling linings.

The result achieved was:
Classification - Group 2
Specific Extinction - Less than 250m²/kg

MIRARI CAELIS

Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
Suggested Installation	Non-reverse hang. Straight across match pattern. Baresque recommends and supplies Roman brand adhesives and primers.
Care Instructions	Always use a clean, white, soft cloth. Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing. For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading. Remove any detergent with a clean, damp cloth. Gently pat dry. Always test in an inconspicuous area first.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
