ACADIA BURCH - 1013046 FOREST

ACADIA BURCH

Fabrics » Vinyl and Faux Leather Fabrics

A biodegradable high-performance vinyl featuring a refined woven-textile appearance with subtle texture and tonal depth. Designed for commercial upholstery, Acadia combines a soft fabric-inspired aesthetic with exceptional durability and easy maintenance.

✓ Bleach Cleanable

✓ Anti-Microbial

✓ Hyphyn Biodegradable Vinyl

Description

Bring the inviting look of woven textiles to commercial interiors with Acadia. Featuring a finely textured surface and subtle tonal variation, this high-performance upholstery vinyl delivers the visual warmth of a fabric while providing the durability and practicality required for demanding environments. Its versatile aesthetic is suitable for hospitality, workplace, healthcare, education, and public spaces, adding understated depth and character to seating and upholstered applications.

Constructed from 100% Hyphyn™ biodegradable vinyl with a 100% Hyphyn™ biodegradable polyester backing, Acadia is engineered for long-lasting commercial performance. Bleach cleanable and resistant to stains, bacteria, and microbes, it supports easy maintenance and hygiene-focused environments. With abrasion resistance of 145,000 double rubs, Acadia is designed to withstand heavy use while maintaining its appearance. PFAS-free, phthalate-free, formaldehyde-free, BPA-free, and free from added flame-retardant chemicals, it also incorporates innovative biodegradation technology that enables the material to biodegrade by more than 90% within 24 months in landfill conditions.

Composition

100% hyphyn™ biodegradable vinyl front on 100% biodegradable polyester back with soil & stain resistant topcoat (702 g/m²)

Environmental Info

This product is manufactured using materials that are free from a range of chemicals of concern, including PFAS, BPA, formaldehyde, lead, heavy metals, and 16P phthalates. It is also low VOC and free from added flame retardant chemicals, meeting California AB 2998 requirements. A Health Product Declaration (HPD) is available, providing transparency around material composition and product ingredients.

The product is compliant with Prop 65 requirements and is free of conflict minerals and TRIS compounds. Antibacterial and antimicrobial properties support hygiene-sensitive environments, while sulfide stain resistance helps maintain the product's appearance and durability over time.

Care Instructions

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid soap and warm water

Remove any soap residue with a clean, damp cloth. Wipe dry with a clean cloth.

For more difficult stains, spot clean with a 70% solution of isopropyl alcohol (rubbing alcohol) and water and wipe. Rinse with fresh water and wipe dry.

For healthcare-related stains, dampen a cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse thoroughly with a water-dampened cloth to remove bleach concentration.

Do not use solvent-based or concentrated abrasive cleaning agents, lacquer thinners, or nail polish remover, as these may cause discolouration over a period of time.

Always test in an inconspicuous area first.

If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

2-year warranty. Visit baresque.com.au/warranty for complete details.
