BRUNITO

Digital Print » Metallics, Textures and Timber

A digitally printed mural wallcovering inspired by industrial metal panels, featuring tonal variation and a subtle reflective finish. Combining weathered character with depth and luminosity, Brunito creates a sophisticated statement for contemporary interiors.

✓ Recyclable

✓ Phthalate Free

✓ Low VOC

Description	Brunito is a digitally printed mural wallcovering that reinterprets the appearance of aged industrial metal surfaces through layered colour, tonal variation, and subtle metallic accents. The design evokes the richness of oxidised metals, with soft transitions and reflective elements that create depth, movement, and visual intrigue across the wall surface. Brunito draws on Italian design influences while delivering a bold architectural aesthetic suited to hospitality, workplace, retail, residential, and public environments. Constructed as a Type II 20 oz. mural wallcovering, Brunito combines commercial-grade durability with a refined metallic appearance. Its vinyl and metallised polyester composition enhances the design with a subtle reflective quality, while the large-format four-panel mural format allows the pattern to unfold seamlessly across feature walls and expansive interiors. Free from phthalates, formaldehyde, heavy metals, and PBDEs, and compliant with low VOC indoor air quality standards, Brunito provides a durable, low-maintenance wallcovering solution for modern commercial and residential spaces.
-------------	---

Composition	98% vinyl, 2% metallized polyester with non-woven backing (452 g/m ²)
-------------	---

Environmental Info	Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments. It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Pattern Repeat Size	N/A
---------------------	-----

Roll Size	127cm x 27.4m - Need 4 Panel Set (508cm W x 304.8cm H)
-----------	--

Weight	452 g/m ²
--------	----------------------

Fire Rating	Currently being tested. Contact Baresque for details.
-------------	---

Lead Time	• 2-weeks (approx.) from Wednesday, subject to stock availability. • Additional 1-week for Western Australia. • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.
-----------	---

Suggested Installation	Non-Reverse Hang. Straight Across Match in Sequence. Baresque recommends and supplies Roman brand adhesives and primers.
------------------------	--

Care Instructions	Always use a clean, white, soft cloth. Use cloth with any of the following in preferred order of use: 1: Clear warm water 2: Mild solution of liquid detergent and warm water 3: Isopropyl Alcohol (a.k.a. rubbing alcohol) Remove any detergent with a clean, damp cloth. Gently pat dry. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration. DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time. Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
-------------------	--

Warranty	5-year warranty. Visit baresque.com.au/warranty for complete details.
