ORIZONTE

Digital Print » Abstract

A digitally printed mural wallcovering featuring soft, layered horizons that blend colour and light into a tranquil atmospheric gradient. Subtle transitions and expansive scale create a calming backdrop for contemporary interior environments.

✓ **Recyclable** ✓ **Phthalate Free** ✓ **Low VOC**

Description

Orizonte is a digitally printed mural wallcovering inspired by distant horizons and the natural meeting of sky, light, and landscape. Gentle layers of colour merge seamlessly across the surface, creating an atmospheric gradient that evokes openness, depth, and serenity. The minimalist composition brings a sense of calm and spaciousness to interior settings, making it particularly suited to hospitality, workplace, healthcare, residential, and public environments. Orizonte reflects a contemporary interpretation of Italian artistry through its refined balance of colour and scale.

Constructed as a Type II 20 oz. vinyl mural wallcovering, Orizonte combines understated visual appeal with the durability required for commercial interiors. The four-panel mural format allows the gradient design to flow seamlessly across feature walls and larger installations, creating a cohesive and immersive architectural statement. Manufactured in the USA with a non-woven backing, Orizonte is free from phthalates, formaldehyde, heavy metals, and PBDEs, while meeting low VOC indoor air quality standards. The result is a durable, low-maintenance wallcovering solution that delivers both long-lasting performance and contemporary design appeal.

Composition

98% vinyl, 2% metallized polyester with non-woven backing (452 g/m²)

Environmental Info

Developed with a focus on healthier interiors and responsible manufacturing, this Type II vinyl wallcovering offers a balance of performance, durability and environmental transparency. The material is free from phthalates, formaldehyde, heavy metals (RoHS) and PBDEs (brominated flame retardants), while its low VOC formulation supports improved indoor air quality in commercial environments.

It is recyclable and supported by both a Health Product Declaration (HPD) and Environmental Product Declaration (EPD), providing transparency around material ingredients and environmental impact. Manufactured under a comprehensive materials recovery and reuse program, the product helps reduce production waste and promote more efficient use of resources throughout the manufacturing process.

Care Instructions

Always use a clean, white, soft cloth.

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently.

Rinse with a water dampened cloth to remove bleach concentration.

DO NOT USE solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Warranty

5-year warranty. Visit **baresque.com.au/warranty** for complete details.
