<b>Description</b>	<p>New patterns, All About Geo and All About Big Geo, are the ideal print partners to All About Linen's crisp, convincing texture.</p> <p>The return of curved elements in furniture and architecture to today's design toolbox inspired these softly-structured silhouettes. Sized to add "just right" visual impact, All About Geo balances the rigidity of geometric design with the fresh perspective of playfully curved shapes.</p> <p>The subdued colour combinations of Chickpea and Pale Grey offer a subtle arrangement, while the bold graphic of Black &amp; White or Royal Blue makes the pattern noteworthy.</p> <p>The grand scale of All About Big Geo emphasizes the meandering organic movement of these amorphous shapes; soft trending colours like warm Calming Cream, Blushing, or glamorous Pitch-Black all make for quite a statement.</p>
