Unleash your acoustic creativity. Each lightweight Stick comes with a self-contained mounting kit so it can be independently installed at any angle.

Description

Whether you're looking to create eye-catching feature walls, custom art installations, or asymmetrical patterns that span the length of a space, the possibilities are endless. It's up to you and your imagination.

Designed with designers in mind, Zintra Independent sticks offer limitless creative possibilities. Their field-trimmable nature increases capabilities without the noise and dust associated with real timber.

Find your perfect match among our selection of Zintra Independent sticks, available in both Narrow and Wide options and a variety of finishes to suit your aesthetics.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
