Assembly & Delivery Ships Flat Pack
Assembly Required
Refer Installation Instructions

Care Instructions Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty 5-year warranty. Visit [baresque.com.au/warranty](https://www.baresque.com.au/warranty) for complete details.

Customisable The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.

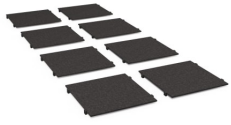

Additional Comments COLOUR DISCLAIMER:

Due to inconsistencies with monitors, and the calibration of your screen, colours may display differently. As they may not be an accurate representation of the true colour we advise requesting a sample.
