- ✓ **Moisture Barrier**
- ✓ **High Performance**
- ✓ **Bleach Cleanable**
- ✓ **Breathable**

Description

The rain on your skin, the sun on your face, the waves by your feet. These natural occurrences created by winds touch every surface of our magnificent planet. The non-PVC/PU Sirocco fabric encapsulates the winds as if they had landed right on the fabric itself. Sirocco is high-performance and breathable fabric that utilizes a proprietary technology that embosses and prints on a micro-fiber suede with silicone finish. The weathered look of this breathable faux leather lends a distressed quality to this no-stress fabric. Durable and strong, air breathes right through Sirocco before moving on to its next natural adventure.

Composition

98% Polyester

2% Silicone

Backing - 100% Polyester

SIROCCO

Lead Time

- 2-weeks (approx.) from Wednesday, subject to stock availability.
- Additional 1-week for Western Australia.
- Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Care Instructions

Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then dry with a lint free cloth.

Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first.

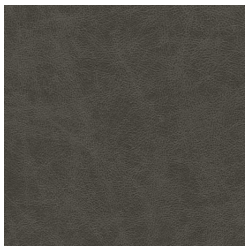

Warranty

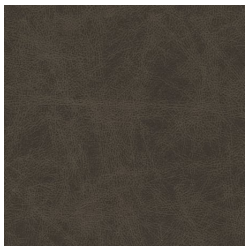

2-year warranty. Visit **baresque.com.au/warranty** for complete details.
