Description

Beauty can be found in even the most unexpected occurrences. When a volcano erupts and lava pours onto the surface of our earth, what remains is a smooth, cool pebble that once held a uniquely fiery power. Inspired by this act of nature, our scoria fabric features a pebbled pattern placed against a backdrop of earthy tones. A material that soothes and cools the mind, even in the most intense and passionate situations. This small-scale, vibrant pebble look print is inherently stain resistant and bleach cleanable
