## Description

As soon as a fire is lit, it draws our attention. We could sit in front of a flame for hours, captivated by the colors and movements that flow before us.

Using a pattern of peaks and valleys that mirror a glowing flame, the flare fabric illuminates the mind. Its weaving, zig-zag appearance adds an element of passion and intrigue to any space. Flare is a spellbinding as the flames of a fire.

Protected with an advanced protective topcoat passing over 100,000 double rubs, Flare is suitable in all high-traffic areas.
