Description

Let Moondance Line-up and Line-up propel you back to the age of glamour with these Art Deco-inspired patterns.

Bold shapes and clean geometric lines are the foundation of these patterns.

The emphasis on rounded arched contours feeds today's desire for this of-the-moment profile.

The opulent jewel effects in Line-up reinforces the theme. Moondance Line-up's sleek colour pairings highlight the later spirit of the Art-Deco movement and coordinate with Moondance perfectly.
