Assembly & Delivery Ships Flat Pack
Refer installation Instructions

How to Specify 1. Select PET Color
2. Select Organic Etch Pattern

Care Instructions Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Customisable The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
