IN MOTION

In Motion is a Type II Wallcovering full of movement and expression that's available in 7 colourways.

✓ **Low VOC** ✓ **Anti-Microbial** ✓ **Phthalate Free**

Description

This wallcovering trend is about expression, movement, and organic free-forming brushstrokes. Inspired by the repetition and colour within Art Deco design, In Motion captivates with intriguing depth and a layered approach.

The deliberate brush strokes speak of intent and confidence while hinting at movement with an almost tropical feel of swaying palm branches. In Motion has seven colorways, offering soft options such as Wispy White or the chance to be daring with high contrast options like Black Beauty.

This pattern will undoubtedly set those mental design wheels In Motion!

Composition

Type II Wallcovering.

Vinyl face on a non-woven backing

Environmental Info

Formaldehyde free

Heavy metals free

Perfluorooctanoic acid free

No solvent inks

Low VOC emissions. Any VOCs dissipate quickly (faster than paint) through normal ventilation and have no recognised adverse impact on indoor air quality.

Durability means products do not need to be replaced regularly due to wear and tear and being cleanable, vinyl products are ideal for helping keep commercial environments clean of bacteria.

Baresque will only deal with vinyl manufacturers that comply with applicable state and federal regulations, provide a factory that is safe and clean for its employees to work in, recycle scrap and inks during the manufacturing process to minimize waste related to production.
