Simple, tactile, and imperfectly perfect is how we describe our twelve Zintra Organic Etch designs. Introducing Stripe, a stunning combination of columns and short parallel lines.

Description

Drawing inspiration from the craftsmanship of skilled artisans, Organic Etch effortlessly blends human creativity with the beauty of the natural world. Organic Etch panels not only enhance interior spaces with design and depth but also offer superior acoustics. Available in a diverse range of designs and choice of colours, each tells a story of simplicity, tactility, and imperfect perfection.
