Description

Zintra Shapes use geometric forms to complement the traditional angles of a room. Working well on their own or as a group, Shapes can be hung to draw attention to a specific space or spread out to draw the eye over the entire length of a room.

Circle:

Emphasize the beauty of curves. This timeless shape brings a sense of unity and harmony to your space. Whether used individually or in combination, creates a visually captivating and balanced ambiance that invites relaxation and creativity.

Also available in 4 other great geometrical shapes and various sizes:

Hexagon:

Experience the allure of symmetry with this versatile and modern shape, designed to inspire a sense of balance and sophistication.

Square:

The symmetrical nature of this shape brings a sense of stability and balance to your space.

Rectangle:

The clean lines and defined form of this shape, provide a sleek and structured elegance.

Triangle:

Harness the power of angles with this geometric marvel. Infuse any space with a contemporary edge, of modernity and dynamism.

Care Instructions	Vacuum to remove dust. Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth. For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry. Always test in an inconspicuous area first and if you don't see the expected results, contact us.
Warranty	Visit FAQ for more details.
Customisable	The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
