Description

Zintra Shapes use geometric forms to complement the traditional angles of a room. Working well on their own or as a group, Shapes can be hung to draw attention to a specific space or spread out to draw the eye over the entire length of a room.

Hexagon:

Experience the allure of symmetry with this versatile and modern shape, designed to inspire a sense of balance and sophistication.

Available in 4 other great geometrical shapes and various sizes:

Circle:

Emphasize the beauty of curves. This timeless shape brings a sense of unity and harmony to your space. Whether used individually or in combination, creates a visually captivating and balanced ambiance that invites relaxation and creativity.

Square:

The symmetrical nature of this shape brings a sense of stability and balance to your space.

Rectangle:

The clean lines and defined form of this shape, provide a sleek and structured elegance.

Triangle:

Harness the power of angles with this geometric marvel. Infuse any space with a contemporary edge, of modernity and dynamism.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
