PATTERN TILES ARCH

Unleash boundless creativity with Zintra Pattern Tiles, where patterns within patterns come to life. These multi-dimensional tiles ignite inspiration, with each twist revealing a new dimension of design. Let your creativity flourish with our Arch design.

Description

Discover the versatility and creative potential of Zintra Pattern Tiles, where timeless elegance meets contemporary flair. Intricately cut designs adorn each tile, crafted from high-quality Zintra material and mounted onto a back panel in your choice of matching or contrasting Zintra Colour. This innovative approach introduces style, texture, contrast, and depth to your walls or ceilings, all while offering superior sound absorption for a harmonious ambiance.

Arch

Inspired by the graceful curves and timeless elegance of arches, Zintra Arch Tile Patterns bring a touch of architectural beauty and visual intrigue to your space.

With a vast selection of 30 front and back Colours to choose from, allowing for thousands of unique combinations before even considering layout options. Elevate both visual interest and acoustics in your space with Zintra Pattern Tiles, available in 10 captivating designs (and multiple configurations), offered in single or dual layers.

Available in 10 designs single or double layer *

Arch | Billet* | Entwine | Groove* | Halftone* | Leap | Lotus | Pathway* | Striae | Surge

- Arrange as required.

Go to the Technical Documents and download the Installation Guide for more details.

Suggested Installation

Go to Technical Documents and download the Installation Guide for more details.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

Visit FAQ for more details.
