Description

Zintra Emboss Panels brings a touch of luxury to acoustic solutions, combining timeless craftsmanship with advanced technology. These tactile three-dimensional panels create an immersive experience that transforms the ambiance of any space. The warm heather of Zintra softens the environment, ensuring that even the most austere spaces feel inviting.

Designed for seamless installation, Zintra Emboss Panels can be installed both vertically or horizontally, offering versatile design possibilities. They provide more than just noise absorption—they tell a story with every surface. Their intricate patterns and dynamic visual effects shift with perspective, adding depth and warmth to any room, making conversations flow effortlessly without echoes or disturbances.

Rivulet

Drawing inspiration from the gentle movement of water, this design features a series of naturally flowing lines that converge and diverge, creating a dynamic sense of fluidity and calm.

The pattern's soft, wave-like motion infuses any environment with a tranquil atmosphere, ideal for spaces that seek a soothing, organic touch.

Available in 18 great designs.
