Description

Zintra Emboss Panels brings a touch of luxury to acoustic solutions, combining timeless craftsmanship with advanced technology. These tactile three-dimensional panels create an immersive experience that transforms the ambiance of any space. The warm heather of Zintra softens the environment, ensuring that even the most austere spaces feel inviting.

Designed for seamless installation, Zintra Emboss Panels can be installed both vertically or horizontally, offering versatile design possibilities. They provide more than just noise absorption—they tell a story with every surface. Their intricate patterns and dynamic visual effects shift with perspective, adding depth and warmth to any room, making conversations flow effortlessly without echoes or disturbances.

Tufted

This design embodies the ultimate in comfort and luxury, with a pillowed, soft appearance that invites touch. Its plush, cushioned aesthetic evokes the sensation of sinking into a cloud. The design's textured surface not only adds a layer of visual depth but also inspires a sense of warmth and coziness, transforming any environment into a haven of relaxation.

With its luxe, pillowed look, "Tufted" seamlessly blends softness and sophistication, offering a tactile experience that elevates the feel of any interior.
