EDGE TRIM

Add a refined, elegant finish to panel edges, enhancing the overall aesthetic with precision and style with our Edge Trim.

✓ **Easy Clean** ✓ **Easy Install**

Description

Add the perfect finishing touch to your 12mm (1/2") Zintra panels with our Edge Trim—designed for a clean, durable, and professional look. This aluminum trim not only protects but also enhances your panels, offering a sleek, polished edge.

Crafted from high-quality aluminium, it's built to last with excellent corrosion resistance and a smooth, straight profile for a refined finish. The trim installs easily with silicone, providing a secure, weather-resistant hold that's quick and hassle-free.

Choose from the sleek matte silver anodized finish for a modern touch, or customize it with one of our 12 powder-coated colours to match your design vision. Whether you're going for a subtle look or a bold statement, this edge trim is the perfect way to complete your project and make your panels shine.

Standard Finish:

Matte Silver Anodized Aluminium for a sleek, modern appearance and long-lasting durability.

Custom:

Mill Finish Aluminium (raw aluminium ready for powder coating) available in a choice of 12 colours for a custom finish that fits your style.

Suitable for up to 13mm (1/2") panels.

How to Specify

Select Finish:

Anodized or Power-coat colour

Material

Anodised Aluminium or Powder coated Aluminium | Mill Finish Aluminium (raw aluminium ready for powder coating)
